**Address:** Room 103, Floor 1, County Hall, Durham DH1 5UF

## Comments Details

**Commenter Type:** Parish/Town Council  
**Stance:** Customer made comments in support of the Planning Application

### Reasons for comment:

**Comments:** The Parish Council's Planning Committee discussed this application at our meeting held on November 16 and decided to support it.

The Parish Council has recently assumed responsibility for the Neighbourhood Plan, which is now undergoing final checks before a Regulation 14 Consultation. The castle walls are recognised in that plan as being heritage at risk. We therefore welcome these moves to repair them.

We fully support the submission from Historic England and look forward to the Council granting planning permission for this work.
