Dear Ms Hyde,

**DM/18/03368/FPA | Conversion of existing roof void for student accommodation  
1 Metcalfe House North Road Durham DH1 4UE**

I am writing on behalf of the Parish Council to object to the above planning application.

The Council's Interim Policy on Student Accommodation states in Part A:

In order to promote the creation of sustainable, inclusive and mixed communities and maintain an appropriate housing mix, applications for new build Houses in Multiple Occupation (both C4 and *sui generis*), extensions that result in additional bedspaces, and changes of use from any use to:

- a Class C4 (House in Multiple Occupation), where planning permission is required;  
or
- a House in Multiple Occupation in a *sui generis* use (more than six people sharing) will not be permitted if more than 10% of the total number of properties within 100 metres of the application site are already in use as HMOs or student accommodation exempt from council tax charges.

This is an extension upwards into the loft and so falls to be assessed under the above criteria. The Council will have the current figures, but a recent application in New Street (DM/16/03866/FPA) which is close to this property reported a figure of 76.7% student-occupied properties within 100 metres. We infer that a figure in the region of 75% would be a reasonable estimate.

There is an exception in the Interim Policy but this relates to the conversion of C3 properties to C4. This is already a C4 property and this application cannot benefit from that exemption.

Yours sincerely

ROGER CORNWELL
