With reference to the above Licensing application, the City of Durham Parish Council wishes to commend the scheme as an initiative to create a pop-up retail space which aims to allow for a number of small businesses to occupy a shared space at a shared cost with access to what is a high footfall area in Durham City. The City of Durham Parish Council also applauds the support this initiative would offer to small local producers.

The City of Durham Parish Council has had the benefit of seeing an explanatory note about the Durham City Pop Up Initiative prepared by the Prince Bishops Centre manager (attached to this correspondence) and feel this should form the basis of the Operating Schedule so that any licence cannot be exploited in the future by a different operator with a different approach.

Yours sincerely,

Adam Shanley
Clerk to City of Durham Parish Council
