Dear Mr Harding,

DM/20/01286/LB - Alterations and extension to existing Manor House to facilitate Registry Office, County Records and Archive Services, and DLI Collection and DM/20/01280/FPA - Change of use, alteration and extension to existing Manor House to form Registry Office, County Records and Archive Services, and DLI Collection.

Many thanks indeed for the additional drawings to support this application. The Parish Council Planning Committee considered these at its meeting on 7 August 2020.

Whilst it is disappointing that these applications still do not include 3D visualisations, particularly of the new glazed extension, all of the additional drawings included with these applications only reinforce the Parish Council's support for these applications.

The Parish Council looks forward to seeing this building completed and hope that this will be a successful community asset for many years to come.

Yours sincerely,

Adam Shanley
Clerk to the City of Durham Parish Council
