Dear Mr Spurgeon,

**DM/19/02537/FPA | Single storey rear extension and a total of four dormer windows; two to rear and two to front roofslope | 9 Crossgate Peth Durham DH1 4PZ**

The Parish Council discussed this application at its meeting on 16 August. We consider that uPVC windows, even of a replica type, would be out of place on this impressive building situated in the City Centre Conservation Area. We therefore ask that the Authority require the windows to be in wood to match the original sash windows.

Yours sincerely,

**Adam Shanley**  
Clerk to the City of Durham Parish Council
