With reference to the above licensing application, the City of Durham Parish Council wishes to object to this application under the objective of preventing a public nuisance.

The Parish Council is concerned about the proposed playing of recorded music from 8am Sunday to Thursday and until 2am on a Friday and Saturday. The parish Council feels that conditions ought to be attached to mitigate against excessive noise disturbing local residents in this area.

The Parish Council also feels that this application should also include a noise management plan.

The Parish Council would also like a condition attached to this license so that no tipping of glass bottles can take place after 10pm to further mitigate against any excessive noise disturbing local residents.

Yours sincerely,

Adam Shanley
Clerk to City of Durham Parish Council
