With reference to the above Licensing application, the City of Durham Parish Council wishes to commend this application as an initiative to create a retail space which aims to allow for a number of small businesses to occupy a shared space at a shared cost with access to what is a high footfall area in Durham City. The City of Durham Parish Council also applauds the support this initiative would offer to small local producers.

The City of Durham Parish Council has considered this application together with a copy of the proposed operating schedule for the premises. Whilst the Parish Council does not find any cause for objection to the granting of this license, the Parish Council does wish to stress that the license for this premises should not be permitted to automatically pass to any future tenant of the premises without a review taking place.

Yours sincerely,

Adam Shanley
Clerk to City of Durham Parish Council
