

CITY OF DURHAM PARISH COUNCIL SOCIAL MEDIA POLICY

The aim of this policy is to set out a code of practice to provide guidance to Parish Councillors, council staff and others who engage with the City of Durham Parish Council using social media.

Social media is a collective term used to describe methods of publishing on the internet. This policy covers all forms of social media and social networking sites which include (but are not limited to):

- Facebook, Instagram and all other social networking sites
- Twitter and other micro blogging sites
- Youtube and other video clips and podcast sites
- LinkedIn
- Bloggs and discussion forums

The use of social media does not replace existing forms of communication.

The principles of this policy apply to all parish councillors and City of Durham Parish council staff and also applies to others communicating with the Parish Council.

The current Code of Conduct applies to online activity in the same way it does to other written or verbal communication.

Individual parish councillors and council staff are responsible for what they post in a council and personal capacity.

In the main, councillors and council staff have the same legal duties online as anyone else, but failure to comply with the law may have more serious consequences.

Social media may be used to:

- Distribute agendas, post minutes and dates of meetings
- Advertise events and activities
- Good news stories linked website or press page
- Vacancies
- Re-tweet or share information from partner agencies such as Principal Authorities, Police, Library, Health etc.
- Announcing new information
- Post or Share information from other parish related community groups such as schools, sports clubs, community groups and charities
- Refer resident queries to the clerk and all other councillors

Code of Practice

Publishing untrue statements about a person which is damaging to their reputation is libel and can result in a court action and fine for damages.

This also applies if someone else publishes something libellous on your social media site. A successful libel claim will result in an award of damages against you.

Posting copyright images or text on social media sites is an offence. Breach of copyright will result in an award of damages against you.

Publishing personal data of individuals without permission is a breach of Data Protection legislation is an offence.

Publication of obscene material is a criminal offence and is subject to a custodial sentence.

Councillors views posted in any capacity in advance of matters to be debated by the council at a council or committee meeting may constitute Pre-disposition, Predetermination or Bias and may require the individual to declare an interest at council meetings

Anyone with concerns regarding content placed on social media sites that denigrate parish councillors, council staff or residents should report them to the Clerk of the Council.

Misuse of social media content that is contrary to this and other policies could result in action being taken.

For the management of the Parish Council's own Facebook page, the Council will appoint the Clerk as the moderator of the page's output and will be responsible for posting and monitoring content to ensure it complies with this Social Media Policy.

The Clerk will have authority to remove any posts made by third parties from council social media pages which are deemed to be of a defamatory or libellous nature.
