28<sup>th</sup> June 2020

Dear Mr Hopper,

**DM/21/00377/AD | Replacing same signage, frame dimensions with same materials with different design | 21 Silver Street Durham DH1 3RB**

The City of Durham Parish Council Planning Committee considered this amended application at its meeting on the 25th June 2021 and resolved to respond as follows.

Firstly, the Parish Council's response to the original application on 26<sup>th</sup> March 2021 stated that the signage should meet the following criteria:

- Be smaller than the current PSYCHE.CO.UK sign. The letters on the CAFÉ ROUGE sign on the side of the building were 250mm high (see planning application 4/08/00033/AD) and this was appropriate and any replacement sign should also be 250mm high.
- Not be illuminated.

Whilst the Parish Council very much welcomes the applicant's amended proposals in terms of the height of the signage, the fact remains that the signage for this premises is still proposed to be illuminated. The Parish Council believes that this adversely impacts on views to the World Heritage Site from Framwellgate Bridge and would ask that this element of the proposal be removed.

Yours sincerely,

**Adam Shanley**  
Clerk to the City of Durham Parish Council
