

CITY OF DURHAM PARISH COUNCIL STRATEGY 2022-23

The aim of the Parish Council's strategy is to give local residents, Councillors and Officers a clear understanding of what the council is trying to achieve and how it intends to deliver its aims and objectives. The strategy sets out what the areas of development or change the Council intends to focus on over the next year outlining those areas of service that are identified as priority aims and objectives.

As part of this, all Parish Council Committees were asked to agree their priorities for the forthcoming financial year so that this can feed into the Parish Council's budget agreement.

Members have agreed that the five overarching priorities for the Parish Council are:

1. Being an ambitious voice for the city
2. Enhancing the physical and mental wellbeing of our residents and addressing inequalities in our parish
3. Upholding the Neighbourhood Plan and representing the parish on planning matters
4. Creating a positive environment for businesses and encouraging tourism to improve prosperity of parish
5. Taking action to combat the climate and ecological emergencies.

Looking Forwards

The 'Looking Forwards' document has also been included as part of this work. 'Looking Forwards' is a companion document to the Durham City Neighbourhood Plan and has been developed by the City of Durham Parish Council Neighbourhood Plan Working Party. It is built on the aspirations and views as expressed by local people for their City during the five years of preparation of the Plan. It looks forward to greater involvement of the community in making Durham a more creative and sustainable City.
